2. In furtherance of its commitment to ensuring the integrity, transparency, and fairness of public examinations, NTA has enabled the platform for reporting any information pertaining to the following:

  - Individuals or groups claiming to provide examination content, leaked papers, or guaranteed results in exchange for money or other consideration;
  - Persons impersonating NTA officials, examination functionaries, or government representatives; and
  - Any other activity or content intended to mislead, defraud, or create panic among candidates and their families.
3. Users may submit details regarding the nature of the incident, the platform or channel where it was observed, the date and time of occurrence, and upload supporting evidence such as screenshots, links, or documents, wherever available.
4. Reports may be submitted through the dedicated portal available at:  
<https://innovateindia.mygov.in/neet-ug-2026/>
5. Alternatively, such information may also be shared through the official NTA websites, namely <https://www.nta.ac.in/> and <https://neet.nta.nic.in/>.
6. NTA reiterates that no individual, institution, or platform has access to NEET (UG)-2026 question papers prior to the conduct of the examination. Any claims suggesting otherwise are false and misleading. Candidates and parents are strongly advised not to engage with, disseminate, or act upon unverified information circulating on social media or messaging platforms and to rely solely on official communications issued by NTA.
7. NTA, in coordination with the Press Information Bureau (PIB) Fact Check Unit and relevant law enforcement agencies, shall continue to monitor and take appropriate action against misleading and fraudulent activities relating to NEET (UG)-2026. Information concerning misleading content related to the Government of India may also be reported to PIB Fact Check through WhatsApp/helpline at +91 8799711259 or via email at [factcheck@pib.gov.in](mailto:factcheck@pib.gov.in).
